## 334 Units of Affordable Housing & Food Bank

Redondo Heights is a partnership between nonprofit Multi-Service Center (MSC) and housing developer Shelter Resources, Inc. (SRI) to rehab 132 existing residential units at what is now known as Silver Shadow Apartments and construct 202 new units, bringing 334 new quality affordable housing units to Federal Way. Redondo Heights is located on Pacific Highway at S. 276th St.

This project is workforce housing and targeted primarily to individuals and households who are working but simply do not have enough income to afford housing in the area. Construction is anticipated to take 18 to 20 months with a targeted opening date of Autumn 2024.

Multi-Service Center will offer residents on-site resources such as community resource navigation and employment assistance. MSC will also operate a satellite food bank serving North Federal Way on the site.

Redondo Heights is transit-oriented development and located on a bus line, near the transit center, and a future link light rail station. Additional amenities include a community center, indoor and outdoor play areas, fitness room, media room, community kitchen, and several community lounges.

Project funders include Amazon; Enterprise Housing Credit Investments & Enterprise Community Asset Management & Fannie Mae Equity; JLL Real Estate Capital, LLC & Federal Home Loan Mortgage Corporation; JPMorgan Chase Bank; King County & Connecting Housing to Infrastructure Program (CHIP) & King County Transit Oriented Development (TOD) Fund; US Bank Trust Company, National Association; Washington State Department of Commerce Housing Finance Unit; Washington State Housing Finance Commission; and Washington State Capital Budget Appropriation.

## GET INVOLVED
