# From the CEO

*Dear Friends,*

At MSC, we hear from our community members and center community voice to inform the direction of our services. By design, we consider the most crucial and vital services in support of the shifting community needs. And as we show up in the most important spaces for service, understand that we face moments of advocacy to ensure policy makers are aligning funding and programming decisions with the folks that need to be centered in our work.

The incredible visual of the services we provide and community members we serve is a testament to MSC's ability to meet the moment and the needs in shifting environments. We've seen a 30% increase in the number of clients served over the last fiscal year – which demonstrates the critical importance of food access, housing, energy assistance, long-term care advocacy, and resource navigation as priorities.

The highlight of 2025 was the opening of our Redondo Heights Community Market Food Bank at our Redondo Heights affordable housing project. This co-located model of services with housing is a testament to innovation and creativity, as well as best practice for access, braiding funding, and blending service delivery.

This next year, we look forward to our next iteration of the Community Needs Assessment getting client experiences, stakeholder and partner feedback, which we will use to shape our service system design. And always, we are grateful for the contributions of each and every one of you who show up for MSC and those we serve. Our commitment is to continue walking in our values to uplift communities by increasing equitable access to advocacy, opportunities, and well-being.

*In Community,*

Kirsten York

Chief Executive  
Officer

# Our Purpose

As an anti-poverty community action agency, MSC has a long history of empowering low-income community members to overcome barriers and build better futures. MSC was formed in 1971 when a group of volunteers recognized the need in South King County for a place people could access multiple resources in one place to help them meet their goals.

Throughout the years with community input and support, we have grown to serve over 100,000 people annually. We apply a lens of equity that ensures all members of our community are seen, heard, and experience a sense of belonging. We believe that we are stronger together in partnership and as a part of a collective challenging systems of inequalities.

## Our Mission

MSC uplifts communities by increasing equitable access to advocacy, opportunities, and well-being.

## Our Vision

Thriving communities rooted in equity and justice where we all experience joy and belonging.

## Our Values

Equity  
Connection  
Diversity  
Integrity  
Belonging

# Our Impact

MSC provides services that support community members in achieving their goals on their journey to well-being. We believe in centering our clients; that they know the best pathway forward for themselves and their families; and ensuring services are accessible, culturally relevant and rooted in meeting community needs.

## Food Access

Through our Redondo Heights Food Bank, Food Bridge mobile senior food banks, and home delivery programs, residents of Washington State are able to meet their nutritional needs.

**6,148**  
households served

**1,612,201**  
pounds of food distributed

## Education & Employment

We help people reach their education and employment goals through GED prep and support with job-readiness skills.

**114**  
individuals served

## Long-Term Care Ombuds

We provide support directly to residents to ensure their rights are protected in long-term care facilities across Washington State.

**1,340**  
individuals served

**2,489**  
complaints investigated

## Resource Navigation

We help people navigate the resources available to them through MSC and other organizations, including specialized resources for immigrant and refugees.

**593**  
households served

## Housing

We provide several resources to help people find and stay housed. These include family shelter, housing for veterans and for women in recovery, rent assistance, foreclosure prevention, and permanent affordable housing.

**1,208**  
households served

## Energy Assistance

We provide energy assistance payments directly to vendors through PSE HELP and LIHEAP programs. We can also assist with portable air conditioners, oil, propane, and wood.

**33,516**  
households served

**\$30,486,203**  
in benefits paid to energy vendors

# Our Financials

Our financials reflect both the direct benefits we provide as well as the costs it takes to provide those benefits to our community. Staff are essential to fulfilling our mission and vision and it is critical to support their well-being. An infrastructure that prioritizes collaborative leadership, connection, and innovative tools and resources supports the overall success of our mission and vision.
