ABOUT MSC

As one of the largest non-profit social service providers in South King County, MSC offers support and resources in employment, housing, energy assistance, food, and advocacy for residents of long-term care facilities. We address the causes and barriers of poverty and homelessness with comprehensive and holistic services that help to lift people from crisis and vulnerability to self-sufficiency and stability. Started as a grassroots organization in 1971 with neighbors helping neighbors, MSC now serves over 137,000 individuals each year.

OUR MISSION
