

KAALMADA TAMARTA

Uma baahnid inaad dhibaato ku jirto si aad gargaar xaq ugu yeelato.

Lacag bixinta kaalmada tamarta way kala duwan tahay iyadoo ku xiran dakhliga qoyska iyo nooca isticmaalka tamarta guriga. Waxaa laga yaabaa inaan ku caawino koronto, propane, gaaska, alwaax, ama kharashyada saliidda. Waxaa laga yaabaa inaad u qalanto gargaar haddii:

- Waxaad ku nooshahay South King County
- Adiga ayaa leh ama kiraysanaya
- Waxaad bixinaysaa biilasha tamarta kululaynta guriga
- Dakhligaagu waxa uu joogaa ama ka hooseeyaa xeerarka u-qalmitaanka ee hadda.

Barnaamijka CAAWINTA wuxuu ka caawiyaa macaamiisha Puget Sound Energy kharashaadka tamarta gurigooda. Waa inaad PSE ku leedahay akoon firfircoon oo gaas ama koronto ah si aad ugu qalanto.

Dakhliga Hoose iyo Barnaamijyada Caawinta Tamarta Guriga ee Gobolka (LIHEAP iyo SHEAP) waxay ka caawiyaan macaamiisha u qalma kharashyada kululaynta iyo tamarta guriga. Lacagaha ayaa la heli karaa laga bilaabo Noofembar ilaa Agoosto (ama ilaa inta lacagaha la dhammeeyo).

Haddii aad u qalanto LIHEAP, waxa kale oo aad u qalmi kartaa unug AC la qaadi karo. Kaliya hal unug AC la qaadi karo ayaa la bixin karaa qoyskiiba.

Waxaan sidoo kale awoodnaa inaan caawino macaamiisha Degmada Lakehaven Biyaha & bullaacadaha ee ay soo gudbisay Lakehaven.
